Electronic transformer 24 V DC, 100 W

Electronic transformer 220-240 V / 24 V DC, in plastic shell, fully potted, with overheat-, overload- and short-circuit-protection

Type-no.	157 654 100
Intended use	various, e.g. 24 VDC-LEDs (LED driver)
Voltage	Primary 230 V / Secondary 24 V DC
Power	1 - 100 W
Input	Terminal block
Output	Terminal block
Protection class	IP 20
Size / weight	164 x 58 x 18 mm / 240 g
Approvals	CE M M
Standard delivery time	1-2 days
